NW TN Regional Industrial Park

Union City | Obion County | Tennessee

This location has been designated a CN Certified Rail Ready Site.

Through our 3rd party partner, Austin Consulting, this site has been evaluated and verified to the highest standards and is now available for development. Our trusted, dedicated team has the resources and expertise in supply chain logistics and facility development, and we're ready to help you get to your final operational success and beyond.

By selecting a CN Rail Ready Site, you can:

- Reduce development and project build time
- Reduce investment risk by ensuring access to rail
- Increase speed to market for your products
- Lower costs due to mitigated risk

CN Rail Connectivity:

Subdivision: Adjacent to Union City Terminal Railroad's (UCT) yard; connected to CN Fulton subdivision milepost 0

Frontage: CN approved, approx. 2,700 ft. direct access
