

Westan Insurance Group in Union City has added a new agent to their team, Cody Martin. Cody is a native of Weakley County but has resided in Obion County for several years. He is a 2006 graduate of South Fulton High School and a 2014 graduate of John A. Gupton College with a degree in mortuary science. Cody started his career in Obion County as a mortician for a local funeral home in Union City. Upon a request from the Westan Group, Cody decided to make a career move. Striving to always be the best at whatever he does, Cody jumped right into the insurance business by passing his licensure requirements the second week of coming to the company and has very quickly started working on accounts. He has joined our commercial lines team and will be working several areas in our network. Cody is also involved in several community leadership roles; currently serving on the Chamber Board, a member of the Jaycees, Young Professionals of Obion County, and serves on the Church Leadership Counsel at First United Methodist Church in Union City.
